

# REACH FOR THE STARS WITH ESA

Hello and greetings to everyone. I hope everyone is having a great summer and enjoying themselves. I am very excited and anxious to get this year underway. 2018-2019 is going to be fabulous.

The planning meeting went wonderful. Lots of great ideas and plans were discussed, not to mention the fun Face Yoga we did to loosen everyone up.

I was so blessed to have attended the 2018 IC Convention in Phoenix, AZ. **Ohio made a sweep at the awards luncheon** with many awards for monies donated, the Buckeye Jonquil, net growth and many more! (*Attend the September meeting to hear more.*) Six members of the Ohio State Council attended and we all had a blast.

The IC Challenge was fun and many stars were recognized.

The votes were taken and the results were bright! Lets

all congratulate **Brenda Meyers** as the new **International Workshop Coordinator for 2018-2019!** I could not be more proud of my Aunt Brenda Meyers.

I have to say the IC installation of new officers and the reveal of numbers was a total high for me. I could feel my heart pumping. The amount of tireless hours and money donated to St Jude from ESA members across the country was breath taking. You all are my shining stars. I couldn't be more proud.

What took the cake was **Ohio being SECOND for total monies donated to St Jude** with an AMAZING total of \$2,056,740.00!! Way to go Ohio!

The big reveal for total monies donated to St Jude for ESA was a sight I will never forget! (*Check out the picture page.*)

Let's start looking toward the future and keep doing the great works we are

doing for St Jude and other wonderful charities. I know Ohio will be #1 next year!

The September Council meeting is September 8<sup>th</sup>. I can't wait to share all the things I learned and experienced at IC this year, as well as a speaker and social activities. Make sure you send in your registration form!

MARC Convention is coming up in October. I hear it's going to be a blast!

Congratulations again Ohio, let's keep reaching for the stars with ESA. ☆

## VICE PRESIDENT . . . MADELEINE KURZYNSKI

---

Greetings from your Vice President

I wish I could have attended IC this year because it really put Ohio on the map! All of you should be so proud to make a difference in people's lives. When I saw the many awards that Ohio received, I was thrilled! Just to work with all of

you is a pleasure and I want to thank you so much.

President Mandy represented Ohio well and she, as we know, is AMAZING! I am honored to work with her this year!

To Judi G and Brenda M, congratulations is well deserved for your honors. I know Mandy has so much to share with you so, I will let her share all the good news.

## ESA FOUNDATION . . . SANDY FULLER

---

EPSILON SIGMA ALPHA  
FOUNDATION

Another year is beginning for the scholarship program and we will be sending out material to Ohio schools informing them of the hundreds of scholarships available through the Foundation for their students. The Foundation is

dedicated to the promotion of continuing education and to other select altruistic activities that make a positive difference in the world community.

I would also like to remind you of the opportunity to join the

Foundation if you are not already a member for the low sum of \$25.00 and if you are a member to pay your annual dues of \$15.00. If you are unsure of whether or not your dues are due, please email me at [Sandyfromesa@yahoo.com](mailto:Sandyfromesa@yahoo.com) for that information. I look forward to serving the Foundation again this year! ☆

## PHILANTHROPIC . . . KAY BUCKLEY

---

It is an honor to be the philanthropic chairman and I am excited for what ESA has to offer this year. In preparation 2019 State Convention vote for what Philanthropic Projects, I would like each chapter to submit their ideas to me by February 1, 2019. Please include a short description of the charity the same as you did this past year. You can always send

these to me before this date. This will give everyone a chance to learn more about these wonderful causes before they are to be voted on in the spring. Email submission to me at [BuckleyK@outlook.com](mailto:BuckleyK@outlook.com).

I am looking forward to seeing many of you in September! ☆

## SOCIAL MEDIA . . . BECKA LLOYD

Happy 24 Hours of  
Constant Facebook  
Notifications Day.

Here you are, having a quiet evening in, you check something out on Facebook

and then you just happen to like a post that your bestie has added. You put your phone down to get into some Netflix and then suddenly your cellphone starts blowing up with Facebook notifications. All because you liked one post that seemingly went viral with your bestie's followers! Never fear, there is a way to stop this overload from happening!!

Now if you just want to just not get notifications from that particular posting, then you can simply click on those three dots (...) next to the post and select Turn Off

Notifications for this Post. It really is that simple. Now if you'd like to just really dig into how you are notified by Facebook of stuff, then it's a bit more complicated.

If you are in Facebook in a browser, go to the far right of the page and click on the downward facing arrow and click on Settings. This will bring up General Account Settings. Then down the left side of the page you will find a whole bunch of things listed. Select Notifications. Now you will be on Notifications Settings. You can customize ALL of your notifications from here. Not just in the browser but also email notifications, desktop/mobile and text. So, there are endless ways to customize your notifications and you can be as specific as you like.

Go play with your settings and get notified how you want rather than get bombarded by everyone else's responses to a status you liked!! ☆

## WAYS & MEANS . . . BRENDA MEYERS

This year's ways and means project will once again be a one-time raffle at our convention. The proceeds from this event will be to assist with the OSC President's hotel room and hospitality suite as in the past few years.

The theme this year will be "A Basket of Fun". Please coordinate with your chapter to submit one basket filled with goodies for a theme of your choice. Some theme

ideas were: wine & cheese; coffee & chocolate; date night; shopping spree; and pampering yourself. Use one of these or create something new!

Please let me know when you have decided on a theme so I can help coordinate some fun ideas with no duplications. At the March

council meeting we could do some "teasers". I'll send more info about that later. We will also have tickets available for your chapter members or friends who cannot attend Convention.

I can hardly wait to hear your ideas! ☆

# MARC . . . BRENDA MEYERS & SHIRLEY KRCDMAR

Greetings everyone!

There's much to report for MARC this time of year. Six Ohio members were able to attend the MARC meeting at IC Convention along with (83) other members from our (12) member states. Ohio presented a flyer for the 2019 MARC convention hosted by the Ohio State Council.

### Proposed changes to the By-Laws and Standing Rules are:

#### 1. Standing Rule Article II Section A

ADD: #9 Shall assign an individual to prepare and present the Flag Ceremony at the MARC Conference. (President)

Reason: Last year we deleted the Senior Past President who handled the Flag Ceremony.

#### 2. Standing Rule Article II Section D-6

Now Reads: Shall present a proposed budget for the new council year to the general board at the MARC meeting at International Convention, which shall be printed in the August issue of reMARC and voted on at the annual leadership conference.

Change To: Shall present a proposed budget for the new council year to the

general board at the MARC meeting at International Convention, have it published on the MARC website prior to International Convention and shall be printed in the August issue of reMARC and voted on at the annual leadership conference.

Reason: To avoid printing of so many copies for the IC Convention and the MARC conference, saving on printing expenses.

#### 3. Standing Rule Article III

ADD: E. Webmaster

##### 1. To maintain the MARC Website

Reason: It is an appointed office and needs to be listed as such in the Standing Rules.

### Candidates for the 2018-2019 MARC year were presented and are:

#### President

Debra Vercellono, Nebraska

#### President Elect/Vice President

Linda Schmidt, Kansas

#### Treasurer

Bonnie Templeton, Kansas

Denise Hagerty, Indiana

#### Parliamentarian

Rose Wagner, Ohio

Rhonda Rawlings, Illinois

#### Recording Secretary

Brenda Fields, Missouri

#### Communicator

Mary Hougland, Indiana

Kim Poling, Iowa

#### Jr Past President

Celeste Webb, Illinois

We will review and vote on these in October.

The MARC Conference will be held in Sioux Falls SD October 12 – 14, 2018. So far we are aware of five (5) Ohio members who are going. Please be sure to show your support for Rose! Information for registration is attached. There will not be any ways & means fundraisers this year and only one for our ESA Foundation MARC scholarships. We will have tickets for a REVERSE raffle for one of three beautiful quilts and afghans, handmade by MARC members. We will have tickets available in September. They are \$2 ea. or 6/\$10. There will again be a Marketplace where any MARC member may set up for a small fee for their fundraisers. There is always so much creative shopping to do!

Enjoy this crazy summer! We'll see you very soon! ☆

In October, Sigma Chi Chapter will be holding their Shop For St. Jude Event at Heritage Presbyterian Church in Mason on Saturday, October 20th from 12-4 PM. There will be many vendors and crafts along with unique silent auction items and baskets of gift cards. SPREAD THE WORD.....

Also, each chapter has a green planter with a sign "Let's Grow Some \$\$\$ For The Kids." Please have this at your monthly meetings for contributions of coins/dollars to grow all year until our May 2019 meeting.

To summarize, here is a portion of a poem written by an Indiana St. Jude Rep in 1998 –

## EDUCATIONALS . . . BECKY KARLAK

Hi Educational Chairs. I have been busy reviewing all the wonderful

"EDUCATIONALS" for the 2017-18 year.

**Beta Psi**—Crafting Around the World

**Delta Chi**—Unstoppable Cincinnati

**Gamma Kappa**—Sweet, Spirits, Culture and Chili

**Sigma Chi**—Joyous Givers

One of the reasons I was attracted to becoming the state educational chair was because I enjoy our "EducationalS" so very much. I truly believe that our "EducationalS" have the power to inspire new members to join ESA. Not only do we all participate in may great causes but we enlighten ourselves with new learning and activities.

REMEMBER THE STATE GOLD LINK AWARD—EACH CHAPTER SENDS IN

A MINIMUM OF SIX "PROGRAM REPORTS" to me by the 10th of the following month. Example: August Educational due September 10th

# ESA FOR ST. JUDE—PATIENT STORY

When Tony was 9 months old, his parents, Janita and Antonio, noticed he wasn't putting any weight on his right leg, he was lethargic and had a fever. They took him to the doctor, where Tony had a chest x-ray. "The doctor thought it was a virus," said Janita, who is a nurse.

That seemed to make sense, until Tony began to cry out in pain whenever someone touched his leg. Tony's parents took him to the local children's hospital, where doctors ran bloodwork, then referred Tony to St. Jude Children's Research Hospital immediately. "They knew it was cancer, but they weren't sure what kind," said Janita.

At St. Jude, tests confirmed Tony had a rare, aggressive subtype of acute

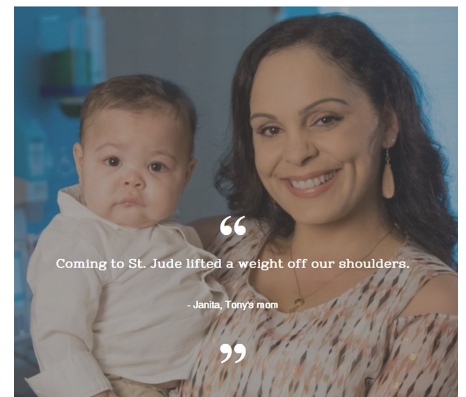

lymphoblastic leukemia, a type of blood cancer. Treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20% to 80% since it opened 50 years ago. Tony's treatment will include chemotherapy.

Families never receive a bill from St. Jude for anything, because all they should worry about is helping their child live.

Tony's family is grateful for St. Jude. "Here, I get to be hands-on with Tony's care," Janita said. "From the first day, Tony and his doctor clicked, and I knew he was in great hands."

To help give back to the hospital that has done so much for their son, Tony's family has formed a team for this September's *St. Jude Walk/Run to End Childhood Cancer*. "Because of St. Jude, we have our baby," Janita said.

Tony is a happy little boy who loves his big sisters, Mickey Mouse, and Elmo.

**Join St. Jude in September to help patients, like Tony, during Childhood Cancer Awareness Month. Let's end childhood cancer. Together.**

## CHAPTER CHATTER . . . BETA PSI

We're looking forward to another fun and rewarding year in Beta Psi. Since we are all so far apart, we haven't gotten together since State Convention. We meet half way between Kentucky and Dayton, OH.

I wish more of us could have been at IC Convention this year. What an honor it was for OHIO. The monies raised for St. Jude was unbelievable, second place in all the state totals, first place in the State Newsletter, 2<sup>nd</sup> place in Ohio's Website, and Ohio

winning the total number of philanthropic hours worked per member. Judi and Brenda were so lucky to be present for all the awards. For all the old members—remember when Ohio never won any awards and we would present each other with the butter dish, or other items from our table. Wow, have we come a long way.

Of course we have to congratulate our Brenda Meyers for being elected IC Workshop Coordinator. Way to go Brenda!

With my theme this year "Believe that Together We're Better" we expect to have a year filled with new ideas and new fund raising ideas. Our first meeting is coming up at the end of the month and we're looking forward to getting together.

Beta Psi wishes each chapter in Ohio a year filled with fun and friendship. See you in September at State Meeting. ☆

President

## DELTA GAMMA

Was it just last week we had another well planned fun filled convention? How great it is to celebrate all the wonderful work of Ohio ESA sisters and to share this time with all those sisters with whom we have formed a special bond. Our chapter is so proud to be a part of it all.

June was an active month as we scrambled to cover the open houses for our St. Jude Dream Home every weekend. All of our chapter members gave some of their time and we were able to recruit other St. Jude supporters to make it a successful event. We ended the month with the exciting day of the drawing at Channel 8 and coverage at the dream home. We were able

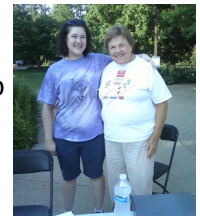

to welcome Paige Cranwell, our ALSAC representative, back and we appreciated her organization and guidance with this project. On to the next project, the St. Jude Walk/Run to End Childhood Cancer to be held September 29, 2018 with ALSAC representative, Lia Hones.

Our new members had a memorable month of July as Chatham celebrated their Bicentennial. They were involved in all the events and are proud to be part of this community.

Our chapter was able to volunteer to do the registration for the annual 5-K Family Fun Walk Through the Zoo by Easterseals on July 14, 2018. Of course, we had to have a picture with Olivia, Easter Seal ambassador, again.

We all missed the IC Convention but were excited to hear the good news about the election of Brenda Meyers, Workshop Coordinator and Ohio's awards and that we were a part of the celebration. Thanks to a successful year Judi King, President.

September will be here before we know it and we look forward to being together again. ☆

# DELTA CHI

---

Hello to all our Ohio ESA sisters, Summer is going way to fast! It's hard to believe Labor Day is right around the corner, yet we at Delta Chi are still in the mist of celebrating summer. We have already done three educationals for the upcoming year!

First, we went to our newly renovated Music Hall in Downtown Cincinnati, where we were given a tour of the building along with some of the fascinating history!

Did you know it was built in the 1870's and is on the National Register of Historic Places. It was built on the site of a pauper's cemetery and is considered one of the most haunted places in America! So Interesting! After our tour, we went to the Incline Public House and enjoyed a wonderful lunch overlooking the Cincinnati Skyline! What a beautiful place!

Our second trip was to Rookwood Pottery, which has been in existence since the 1880's. Did you know that Rookwood Pottery was started by a woman? Maria Longworth-Nichols built the studio which quickly became known throughout the world and attracted many famous artists. We got to see pottery being handmade, saw the kilns where it is fired and learned about the glazes and techniques used to finish one of a kind pieces. So fun and Interesting!! And to think it all started here in Cincinnati! And guess what we did after! Yep, you got it...we went to

lunch! (In case you haven't noticed, food is a common theme surrounding our educationals.) We ate at the Taft Ale House, which is an old church built in the 1850s in Over the Rhine. It was originally St Paul's German Evangelical Church, but in 2013, after over \$7 million in renovations, it is now the Taft Ale House.

Our third trip was to the famous Findley Market in Over the Rhine, aka OTR. We had a beautiful day to explore all the vendors, people watch, and sit outside and enjoy...you guessed it! LUNCH!! Did you know that Findley Market is Ohio's oldest continuously operated public market and is on the National Register of Historic Places? It was built in 1852 and is still operating stronger than ever.

The highlight of our summer was our weekend at the lake! This year we went to Joan Farabee's beautiful house in Lake Cumberland! It was a positively awesome weekend. We ate, drank, went boating, sang songs, ate some more, drank some more, solved all the problems of the world, and played marathon Rummy Cube! It was a perfect weekend of just being together with our sisters whom we love so much! And of course, Joan is the hostess with the mostess! Thanks Joan, for such a wonderful time!

Every year the City of Springdale hosts a neighborhood garage sale! Delta Chi combined all of our "treasures" and opened up shop!

We made over \$600.00 to add to our chapter treasury for our Ways and Means. Everyone pitched in with donations and helping out to make it an extremely successful garage sale! And lets not forget Mike Laage, Bill Karlak, and Richard Bolander, who sold jumbo hotdogs straight off the grill to hungry shoppers! Great Job ladies and gentlemen . . . and a big thank you to everyone who helped out.

One of our chapter members, Debbie Wentzel made a major move this summer! She sold her home where she has lived for over 40 years and moved closer to her daughters in Maineville....and to all of her Delta Chi sisters!!! I know it was and bitter sweet move, but we are so glad Debbie is closer to us!!

I would like to ask for prayers for several of our Delta Chi sisters/spouses who are going through some serious health issues. At our ages, we have to cherish each moment! Tomorrow is promised to no one, so let us all live each day to its fullest!

Love, Hugs, and God's Blessings to all! ☆

# GAMMA KAPPA

---

Gamma Kappa is off to a strong start this year. In July we had a beautiful installation of offices for the coming year. Past President Barb LiCalzi performed the installation and was so very heart warming and so beautiful. Thank you Barb for making it a special night. We had service awards given out to Rita Eigel for 10 Years and Grace Striely, Madeleine Kurzynski for 20 Years.

Also in July we had our planning meeting which was fun with a pizza dinner first. Many ideas are in the works for this coming year and we are excited! We have chosen Royal Women for our educationals and I can't wait to see who the sisters chose to present on. Gamma Kappa has 13 members now and still recruiting.

## Some Member News

Maddy retired in July and is moving to Fairfield. Joel came home to help with the move (sort of).

Amy's kids, Mike and Christine, came in for a visit in July. Amy's new puppy, Chipper, is going to Therapy Dog training and is doing well.

Kathy Solt's daughter, Melissa, and Harry bought a beautiful home in Chicago and of course Kathy helped them move. She had previously helped with Barb's daughter's, Christy, move and when she came home from Chicago she helped with the Kurzynski move! Please send her ibuprofen since she needs it.

Rose and Henry Wagner helped the Kurzynski's move as well as helping their daughter, Deta, with her house

in Michigan. Rose attended IC convention and had a wonderful time. She has been very busy.

Several members will be attending PI XI's quarter auction and we are looking forward to a great time. Rose and Maddy will be attending MARC so that will be fun as well.

Gamma Kappa's officers for 2018-2019 are:

President - Madeleine Kurzynski  
VP - Kim Roman  
Secretary - Amy Hudoba  
Treasurer - Rose Wagner  
Parliamentarian - Grace Striely

## ONGOING PHILANTHROPIC PROJECTS

**Easterseals** – We've enjoyed working with Luran and Jackie, Easterseals greater Cincinnati on the mailing, ReUse-Apolooza event at Building Value and July's Employee Appreciation event at Building Value. We're

learning what each facility does to help clients from our community, and how we can help make an impact. It's also fun to volunteer with **other chapters**. We look forward to continuing our relationship with Easterseals and participate as much as possible.

**Matthew 25: Ministries (M25M) in Blue Ash** – I know other ESA Cincinnati chapters have been volunteering at M25M, just like thousands of individuals from local schools, businesses, and organizations. M25M relies primarily on the help of local volunteers and donated products (food, cleaning & medical supplies, clothes, etc.) from local businesses and our community for those in need.

Many involve disaster situations: local flood victims, wildfires, hurricanes, etc. Sigma Chi

members contribute by donating items that they need and by volunteering at their warehouse on a regular basis - including once each month this summer. We'll continue supporting the needs of M25M for 2018 and beyond.

**Alzheimer Association** – In December for the last 3 years, Sigma Chi members have raised donations for Alzheimer Association Cincinnati chapter by wrapping gifts at Barnes & Noble. We plan on continuing this in December 2018. Jean Bryant recently met with Hannah, Alzheimer Association local chapter to see how we can assist them in other ways. Hannah will be our guest speaker at the September 8, OSC Leadership Meeting in Loveland, OH.

**National MS Society** – Each December, Sigma Chi and Sharon Roll, coordinator and founder are busy implementing the *Gift of Hope* program for individuals/families impacted by MS who are in need of financial assistance, etc. due to medical and/or other complications. Donations of cash, gift cards, groceries and other supplies are collected and distributed to the clients.

**Pregnancy Center East (PCE) in Hyde Park** – At each Sigma Chi monthly meeting, members collect items (diapers, wipes, formula, etc.) for PCE clients - mothers who are single and families in need of financial assistance. Each Spring we "shower" one or more families with clothes and other baby supplies.

**St. Jude Children's Research Hospital** – With work for the annual St. Jude Dream Home finished in June, we're moving on to preparations for other projects:

**St. Jude WALK/RUN – Cincinnati on Saturday, Sept. 22.** Team "Sigma Chi of ESA – Cincinnati" will be participating and volunteering at the event.

Sigma Chi again will be hosting our annual St. Jude fundraiser "**Shop for St. Jude**" on Saturday, Oct. 20<sup>th</sup> from Noon -4:00 pm at the Heritage Presbyterian Church in Mason. The event features fun shopping (vendor reps selling popular products, crafts, accessories), light refreshments, raffle baskets and silent auction packages. Free admission (donations accepted) and everyone is invited. We do rely on and appreciate Ohio chapter members who participate as vendor reps, and those who come to shop. Anyone interested in selling their products at our event please contact me at [jivers@twirlpix.com](mailto:jivers@twirlpix.com). ## Pi Xi "Tradition"

We are excited to be entering our first full year as an ESA chapter. We have been busy volunteering, planning, and scheduling events. In May many of our members, including our Elan member Tia, volunteered at the St. Jude Discover the Dream event held each at the Columbus Zoo. This event is an amazing experience!

We recently had our own St. Jude event. Our 2<sup>nd</sup> Annual St. Jude ticket auction was another great success. Melissa came into the chapter with a passion and vision to raise money for St. Jude through a quarter style auction. While all of our members

work on this event it is truly Melissa's passion that drives this event to fruition. We could not be prouder of our members for their

commitment to gathering donations, selling tickets, and working tireless hours to make this event happen.

Nor, could we thank you, our Ohio ESA sisters, enough for your encouragement and support each year. Up next we have the Columbus St. Jude Walk/Run in September. We are looking forward to not only participating in the event but also volunteering again this year. If you would like to donate towards the Columbus walk you can visit our team page [www.walkrun.stjude.org/pixi5598](http://www.walkrun.stjude.org/pixi5598).

I could not be more excited to serve as the Pi Xi president this year. It is an honor that I do not take lightly. This year I wanted to recognize the tradition and history of ESA and incorporate that into our chapter, so I chose the word Tradition as my theme. The Greek word, *paradosis*, is defined as "a giving over" either by word of mouth or in writing, a tradition passed on from one generation to another. This year our educationals will follow the same theme/idea. We will begin each chapter meeting with an educational on ESA.

I am beyond blessed to have a chapter full of sisters supporting me this year. Melissa is my Vice President, she is so fun to work with

and I can't wait to see all that we accomplish and learn this year together. Mandy is our chapter secretary and treasurer and I know is looking forward to keeping accurate minutes and tight financial books.

Pi Xi will be nominating Mended Little Hearts ([mendedlittlehearts.org](http://mendedlittlehearts.org)) and Leukemia & Lymphoma Society ([www.lls.org](http://www.lls.org)) for the 2019-2020 State Philanthropic projects. MLH because my personal experience with my first daughter, Emma, who was born in 2010 with multiple heart defects and passed away in 2011. And LLS because of a boy (one of Mandy's friends' son) was diagnosed with Leukemia. These are of course just a few of the many devastating diseases and illnesses that touch all of our lives.

Be sure to check out and like our new facebook page, <https://www.facebook.com/pg/pixi.5998>. We have photos from all our events, including our recent auction! Also, you can visit our website, [www.pixi-esa.org](http://www.pixi-esa.org). ☆

- **Becky Rasmussen** is the director of an organization called Call to Freedom. They help in the rescue efforts and support services for victims of human trafficking. Every 30 seconds another person becomes a victim of human trafficking. She is going to share how we can make a difference in our own communities leading up to Human Trafficking Awareness Month in January. To educate us of the work that needs to be done to combat the issue.
- And lastly bring your scissors and knitting needles for our hands on community service project lead by **Teresa Huntimer**. Come get some service hours as she teaches us how to construct sleeping mats for our homeless vets and military.

There will be plenty of time set aside for fun and time to enjoy and explore Sioux Falls.

They've recently set up a Facebook event so follow it to see updates and videos of fun things to come!

## WEBMASTER AND EDITOR . . . JUDI GREFER

I hope you are all enjoying the new and improved ESA Ohio website, [www.esa-ohio.org](http://www.esa-ohio.org). The service I'm now using is **so much easier** to use than what I was using for many years. The website is still under construction, Philanthropic and Happenings pages, but almost complete. I do need your help with pictures for the Happenings page. I'm not very good about taking pictures, so I *need* your input! Also, if you can think of any additional pages that would be helpful to have on the site, please let me know and I'll see if it is possible.

I also want to say thank you to everyone that contributed to this issue of the **Award Winning Buckeye Jonquil**. (I couldn't resist adding a bit of humor.) I would like to receive an article from every elected and appointed office for the next issue. I know we all have something to share. We have new members that don't fully understand or know what the officers do, so lets share some of that information. Remember, education is part of what we do.

I'm looking forward to seeing many of you at the September Council meeting hosted by Sigma Chi. You can find the registration form on page 14 of this publication.

See you then! ☆
